Trip Safety Rules Agreement Sample

The following safety rules are designed for use prior to each trip, regardless of whether it is taken in vehicles owned privately or by your organization.

The organizer and/or driver for the trip will ensure all participants read and understand the following "rules for the road":

- Seatbelts must be worn at all times.
- No hazardous or disruptive activity or noise will be permitted while the vehicle is moving.
- All passengers must follow the driver's instructions.
- Keep all objects inside the vehicle.
- All windows must be kept clear of objects that may disrupt the driver's view.
- In case of an accident or emergency, stop; and do not exit the vehicle unless instructed by the driver.
- Always exit on the street side of the vehicle, never on the traffic side.
- Violation of these rules may result in the termination of the trip for the entire group or the removal of a participant from the trip.
- The safety of others and my own safety is a priority on this trip.

I have read, understand, and will comply with these rules during the entire trip.
