

SAFECHURCH

Comprehensive Risk Management Portal

With the goal of making churches a safer place, GuideOne Insurance, one of America's leading church insurers, brings you SafeChurch. SafeChurch is a portal that offers in-depth information and action items that will increase safety at your church. To get started, visit [SafeChurch.com](https://www.safechurch.com) and enter your agent and policy numbers. Or you can call **800.747.2154** to get started today.

Keep Your Congregation Safe

After you log in, GuideOne customers will have access to risk management resources about important church safety topics and other training materials, such as:

- + Over 100 risk management resources, like fact sheets, checklists, sample policies and procedures, articles and more.
- + Bi-monthly e-newsletters packed with timely information you need to know.
- + Assessment tools that provide your church with customized reports.
- + Safety videos filled with helpful photos and descriptions of potential risks, as well as specific recommendations to help protect your church even further.
- + Online training courses designed for churches that can be easily accessed by church leaders or volunteers.
- + Exclusive access to affordable background check services through GuideOne's Check & Protect program.
