and Human Services Organizations*

Superior protection and risk management
resources to help you safeguard the
communities you serve.

The work you do helps humanity in a way that's unmatched by others.

Our customized coverage will ensure that you can keep spreading kindness.

Nonprofits like yours invest every penny to make a difference in the lives of others. Our goal is to guarantee the investment you make to protect your organization is well-spent, allowing you to continue on your quest to do good.

At GuideOne Insurance we understand your needs, not just because we've been in the business for more than 70 years, but because we're in your community, embracing the same causes and values that are ingrained in everything you do. We see how much you invest in the people who benefit from your organization, and we know a lot of people depend on you. We won't let them — or you — down.

More than 50,000 commercial policyholders trust us with protecting their organizations. And we'd be proud to protect yours, too. When the unexpected happens, we're here to provide strength, radiate positive energy and work alongside you so you can focus on the things that matter most.

GuideOne has been an advocate and an innovator for nonprofits like yours since our founding in 1947. In 1962, we recognized that community organizations were in need of an affordable, efficient insurance product that rolled many coverages into one. To fulfill the needs of our customers and our communities, we developed the first multi-peril policy, protection against different kinds of losses all covered under one package, making your insurance more convenient and more economical.

More than 50 years later, our values haven't changed — and we have one of the highest customer retention rates in the industry. With an eye on the ever-evolving world around us, we continue to create policies that address current needs and make sense for you and for the communities you serve.
