

FAITHGUARD

Comprehensive Church Protection

Customized coverage and risk management resources to help safeguard your ministry.

You always put your congregation first.

You give them guidance, help them grow and change their lives through the power of faith. You need comprehensive insurance that puts them first, too.

At GuideOne Insurance, we understand your needs, not just because we've been in the business for more than 70 years, but because we're in your community, embracing the same causes and values that are ingrained in everything you do. We see how much you invest in the members of your church, and we know a lot of people depend on you. We won't let them — or you — down.

More than 50,000 commercial policyholders trust us with protecting their organizations. And we'd be proud to protect yours, too. When the unexpected happens, we're here to provide strength, radiate positive energy and work alongside you so you can focus on the things that matter most.

GuideOne has been an advocate and an innovator for churches, like you, since our founding in 1947. In 1962, we recognized that community organizations were in need of an affordable, efficient insurance product that rolled many coverages into one. To fulfill the needs of our customers and our communities, we developed the first multi-peril policy, protection against different kinds of losses all covered under one package, making your insurance more convenient and more economical.

More than 50 years later, our values haven't changed. With an eye on the ever-evolving world around us, we continue to create policies that address current needs and make sense for you and for the students and staff you serve.
